THE GIFT OF SEDGWICK COUNTY

Hundreds of People Review the Train as it Passes Mexico.

The public being notified by the LEDG-En Bulletin at what time the com train would be here last night, turned out in goodly numbers to see the wonderful sight. W. E. Gray, Assistant Superintendent of the Chicago & Alton railway, has our thanks for telegraph pass to come down on the corn train from where the regular passenger met her, thus giving us a good chance for inspection. In 1874 Ohio helped Kansas; in 1884 Kansas pays the debt.-Bread truly cast upon the watters. The train consisted of thirty-five

cars, two cabooses and a passenger coach What become of that half dollar, pulled by engines 169 and 181. Upon the roof of the first car is a representation of an immense grasshopper, indicative of the great grashopper plague of 1874. On the sides of several cars were large scrolls bearing the inscription, 'Corn, with compliments of Wichita and Sedgwick county, Kan., to the Ohio val-What che girls of Centralia think ley." At each end of the scroll was a grasshopper supporting it. Upon anoth-If Sam Baskin's girl did not shed er canvas was painted a huge ear of corn drawn by a train of grasshoppers, with one of these festive insects seated upon What a couple of married ladies it driving, and in the distance was a sign board bearing the information, "To the If the Spanish Students won't get of all the designs was a cartoon representing upon one side Kansas clouded was with grasshoppers in 1874, and on the elimbing up a ladder for last Sunday. other side flooded with corn in 1884. The declining fortunes of the poor hoppers Who's going to start that new jewwas ludicrously represented. The head elry store, Byron Cluster or Bill of a family was represented as struggling to rescue his offspring from a flood of What Laddonia will do with two grain. Another device represented a papers, and if the new bank won't lank farmer with his emaciated cow and 'razorback" hog, literally besieged with hoppers, while in close proximity to it If the "I-told-you-so fellows" are was another displaying the condition of not getting ready to spout after the the farmer at present, with his diamond stud and well kept herds. The next de-

forth corn, with the inscription, "Cast square are not made the same height this bread upon the water, and thou ner, informs us that many complaints shalt find it after many days" are being made about parties stealing Upon several cars were painted three coal- from the railroad companies. large ears of corn, and underneath the king) is not a hummer. He is slowly Hundreds of bushels of coal are stoters." Other ears bore the inscription, len every season from the ears at the Compliments of Wichita and Sedgwick depot and this thing must be stopped. has accepted a position with a St. rel con afford to be without the Great disposing of his Cap. Collier library county; and the Atchison, Topeka & San- Mr. Buckner says he hates to put the Louis firm.
